This outfitter strives to harvest trophy quality Toms in the high desert lands of Nevada. His hounds are top quality and can run cats long distances with an experienced houndsman. If you are interested in the opportunity to bag a trophy mountain lion then this is the hunt for you. 100% fair chase and 110% effort provided! This can be a physically demanding hunt so to increase the odds of taking a trophy cat hunters should be in better physical shape to hike after these majestic cats.
